\$20 This Sale of Ladies' Suits Is \$20 Attracting Crowds of Buyers \$20

We have already decided that none of the suits which were sent to us by the maker, on consignment, will be returned.

The sale has met with such immediate favor that it is very evident that there will be none to return. Indeed the selling of the past few days, has necessitated our adding to the lot many from our regular stocks—and in each case these are suits which are worth from \$30 to \$35.

We want you to see these suits whether you buy or not. We cannot recall the time when such values were offered so early in the season.

You probably intend paying more than \$20 for your fall suit—but before you buy, have a look here.

The Charm of this Year's Coats

The moment we were shown the advance models of this season coats, we predicted a year of great coat demand—and merchandised for it accordingly. Even the lower priced models, those selling at \$7.95 have all of the season's style features. We call attention today to two which are particularly good values.

See These Coats, Specially Priced at \$25

At \$25 you may buy a coat of surprising beauty. Pile fabrics—full plushes which are to be so popular and wonderful mixtures with the new ripple backs—wonderfully made and lined. Better get an early selection.

New Coats in Good Models, Specially Priced at \$20

Knowing that \$20 is the price which many wish to pay for a coat we have provided liberally of good coats at this price. All wool fabrics in handsome mixtures with the full ripple back and the new belted waist lines. Fur trimmings.
